

###PRESS RELEASE###

Roy Waugh — Coming Soon with Music, Message, and a Movement

United States — September 18, 2025 — Roy Waugh, award-winning vocalist, motivational speaker, recording artist, and author, is set to make waves across stages, airwaves, and bookstores. With a career spanning more than three decades, Waugh has inspired audiences through his music, his speaking, and now his debut book, *The Manifestation Frequency: Hidden Ancient Secrets Revealed to Awaken the Power Within*.

Recognized as Best Inspirational Indie Author in the US (2025), Best Breakout Author of 2025, and winner of a 5-Star Review from Readers' Favorite, Waugh is equally celebrated for his musical achievements, having been named Best Male Vocalist at the International Christian Artists Competition and chosen as the opening act and celebrity presenter at the Mid-West Emmy Awards.

"This is more than a performance or a book—it's a movement," Waugh explains.
"Through words, music, and message, I want to help people believe again, align with divine frequency, and unlock the power already inside them."

Bridging Science, Spirit, and Story

Through music, speaking, and writing, Waugh unites neuroscience, psychology, and timeless spiritual wisdom with the heart of a seasoned performer. His work blends practical tools, inspirational storytelling, and powerful presence, creating experiences that uplift, transform, and ignite possibility.

About Roy Waugh

Roy Waugh is an award-winning author, vocalist, recording artist, and motivational speaker with more than three decades of experience inspiring audiences worldwide. His journey is deeply personal: after a devastating accident, doctors told him he would never walk again. Defying the odds, Waugh not only walked—he returned to the stage, the microphone, and ultimately the page, turning his story of resilience into a message of hope.

His approach—grounded in neuroscience, psychology, multi-faith spiritual wisdom, and lived experience—reflects his core belief: anything is possible if you just believe. Today, he channels that same spirit of perseverance into every keynote, concert, and page he shares, showing others how to rise above obstacles and unlock their own creative power.
